

ERASMUS+
RULES ON THE ALLOCATION OF FUNDS AND THE FINANCING OF
STUDENT MOBILITY OF WSEI UNIVERSITY
IN THE ACADEMIC YEAR 2025/2026

The detailed rules on the allocation of funds and the financing of student mobility of the WSEI University hereinafter referred to as WSEI University, under the Erasmus+ programme are set out in Annex VI to the agreement concluded between WSEI University and the National Agency for the Erasmus+ Programme.

For student grants to undertake part of studies or student work placements/internship within the framework of the Erasmus+ programme in the academic year 2025/2026, the following rules for the distribution of grants shall be established:

1. A student qualified for studies or a student work placement/an internship under the Erasmus+ programme in the academic year 2025/2026 shall receive a grant to cover additional costs related to travel and stay (travel costs, insurance costs, language preparation costs, increased subsistence costs);
2. A written financial agreement shall be signed with each student selected for Erasmus+ mobility, specifying the amount of the grant and the form of payment.
3. The grant shall be paid to the student in Euro (EUR) in the form agreed between the student and WSEI University. The preferred form is a transfer to the student's personal bank account in two instalments. The first part of the grant shall be paid to the student prior to the departure and the remaining part shall be paid after the end of the mobility and fulfilling all the obligations by the student. The amount of the part of the grant is 60 % for graduates qualified for the programme, 80 % for the WSEI University students.
4. The home university may choose to pay part of the grant upon the student's return from the partner university and upon submission by the student of all the documents required by WSEI University.
5. The student mobility funds under the Erasmus+ programme shall be distributed among the grant holders in accordance with the following rules:
 - a) Grant holders travelling to the same country shall be awarded the same amount of grant per month of staying abroad, regardless of the faculty and the field of study;
 - b) the duration of the stay at the partner university/host institution on which the grant is based shall be determined with 1 day accuracy;
 - c) the differences in the amount of grants per month of staying abroad granted to students travelling to different countries are due to different living costs in these countries (in particular accommodation) and

10. The amounts in the columns "standard travel" and "green travel" are not added together. To calculate the travel distance, use the distance calculator available at http://ec.europa.eu/programmes/erasmus-plus/tools/distance_en.htm.
11. In the case of travel up to 499 km, participants should use low-emission means of transport.
12. People who meet the criteria included in the definition of "people with fewer opportunities" can apply for additional funds to cover increased costs related to the trip. A student can apply for:
- a) an additional amount of €250 for each month of stay regardless of the type of trip - after the student has submitted an application for "support related to special needs" to the Centre of Projects and International Cooperation, or
 - b) reimbursement of actual costs - after the student has submitted an application for "support related to special needs" to the Erasmus + National Agency (FRSE).
13. The definition of "people with fewer opportunities" includes:

group of people	the criterion on the basis of which the university will qualify the student
individuals with disabilities	Declaration of will of holding a disability degree certificate + a copy of the disability certificate
people from poor backgrounds	Decision of the university to award a social grant. For the students who will travel as graduates the decisions issued in the last year of study will be taken into account

14. The detailed conditions for granting funds for the mobility of 'people with fewer opportunities' for the academic year 2025/2026 and the application form shall be available at the Centre of Projects and International Cooperation.
15. In case the student applies for an additional fund for "people with fewer opportunities", all the necessary documents shall be submitted 1 month before the student's mobility start date.
16. If the mobility activity fails to commence, the student must immediately reimburse the full grant.
17. If the student pays tuition fees at WSEI University, he/she may be obliged to pay these fees while studying at the partner university. The President of WSEI University shall decide whether to collect or exempt outgoing Erasmus+ students from paying their tuition fees. In the both cases the student shall be required to submit a written application for this purpose.
18. Funds not spent throughout the academic year by eligible students (resignations, random events)
